The support documentation for the items on the agenda, provided to the 800 MHz Users Committee, is available to members of the public by contacting the County's Technology Services office by emailing Sharon Ruff, [sruff@washoecounty.gov](mailto:sruff@washoecounty.gov) (230 Edison Way, Reno, Nevada, 89502) or Sara DeLozier, [sdelozier@washoecounty.gov](mailto:sdelozier@washoecounty.gov) (1001 E. 9<sup>th</sup> Street, Building C, Reno, Nevada, 89512); and on the County's website at: [http://www.washoecounty.gov/technology/board\\_committees/800mhz\\_users/index.php](http://www.washoecounty.gov/technology/board_committees/800mhz_users/index.php)

The 800 MHz Users 800 MHz Users Committee may consider items on the agenda out of order. The 800 MHz Users Committee may combine two or more agenda items for consideration. The 800 MHz Users Committee may remove an item from the agenda or delay discussion relating to an item on the agenda at any time.

**Time Limits** – Public comments are welcomed during the Public Comment periods for all matters, whether listed on the agenda or not, and are limited to three (3) minutes per person. Additionally, public comment specific to the action item of three (3) minutes per person will be heard during individual action items on the agenda. Persons are invited to submit comments in writing on the agenda items and/or attend and make comment on that item at the 800 MHz Users Committee meeting. Persons may not allocate unused time to other speakers.

**Forum Restrictions and Orderly Conduct of Business** – The 800 MHz Users Committee conducts the business of Washoe County and its citizens during its meetings. The presiding officer may order the removal of any person whose statement or other conduct disrupts the orderly, efficient, or safe conduct of the meeting. Warnings against disruptive comments or behavior may or may not be given prior to removal. The viewpoint of a speaker will not be restricted, but reasonable restrictions may be imposed upon the time, place and manner of speech. Irrelevant and unduly repetitious statements and personal attacks which antagonize or incite others are examples of speech that may be reasonably limited.

**Responses to Public Comments** – The 800 MHz Users Committee can deliberate or take action only if a matter has been listed on an agenda properly posted prior to the meeting. During the Public Comment period, speakers may address matters listed or not listed on the published agenda. The Open Meeting Law does not expressly prohibit responses to public comments by the 800 MHz Users Committee. However, responses from 800 MHz Users Committee to unlisted public comment topics could become deliberation on a matter without notice to the public. On the advice of legal counsel and to ensure the public has notice of all matters the 800 MHz Users Committee will consider and may choose not to respond to public comments, except to correct factual inaccuracies, ask for Washoe County staff action or to ask that a matter be listed on a future 800 MHz Users Committee meeting agenda. The 800 MHz Users Committee may do this either during the Public Comment item or during the following item: **"800 MHZ USERS COMMITTEE MEMBER AND/OR STAFF ANNOUNCEMENTS, REQUESTS FOR INFORMATION AND SELECTION OF TOPICS FOR FUTURE AGENDAS** [Non-action item]."
